**Match and Return**

On January 12, 1998, an Amendment was filed in this application which, *inter alia*, canceled the non-elected claims. Because of that cancellation, a Supplemental Amendment was filed on February 4, 1998 (before issuance of any further paper from the Patent and Trademark Office), deleting Mr. Akira Suga as an inventor. To date, no acknowledgment of the deletion of Mr. Suga as an inventor has been received from the Patent and Trademark Office. To begin with, therefore, it is respectfully requested that the Examiner issue an appropriate confirmation that the inventorship has been changed in the Patent and Trademark Office's records.

Moreover, On June 21, 2001, Applicant filed both a Request For Duplicate Filing Receipt and a Request For Corrected Notice of Allowance (copies of which are attached, together with a copy of the return postcard acknowledging receipt of those papers by the Patent and Trademark Office). To date, no response has been received to either, and the outstanding Notice of Allowance, mailed September 10, 2001, still gives the title of the invention incorrectly, and not as amended by the Amendment dated September 28, 1998.

Accordingly, Applicant respectfully requests that the Examiner issue responses to those two requests, or have them responded to by the appropriate Patent and Trademark Office officials.

#### CONDITIONAL PETITION

If any of the foregoing requests be denied, Applicant requests that this paper be considered as a Petition, and be forwarded to the appropriate Patent and Trademark

Official for decision as a petition. While no petition fee is thought to be required, any such fee deemed due may be charged to our Deposit Account 06-1205.
